Section 4. Your Costs for Covered Services

If your provider routinely waives your cost

Note: **If your provider routinely waives** (does not require you to pay) your applicable deductible (under Standard Option only), coinsurance, or copayments, the provider is misstating the fee and may be violating the law. In this case, when we calculate our share, we will reduce the provider's fee by the amount waived.

Example: If your physician ordinarily charges $100 for a service but routinely waives your 35% Standard Option coinsurance, the actual charge is $65. We will pay $42.25 (65% of the actual charge of $65).
