2027 Blue Cross and Blue Shield Service Benefit Plan
FEP Blue Standard and FEP Blue Basic
Section 5(f)(a). FEP Medicare Prescription Drug Program

Here is how to obtain your Prescription Drugs and Supplies.

- Make sure you have your Plan ID card when you are ready to purchase your prescription.
- Go to any network pharmacy, or
- Visit the website of your retail pharmacy to request your prescriptions online and delivery, if available.

Note: Pharmacies within our network for prescription drugs are not necessarily Preferred for durable medical equipment (DME) and medical supplies. To receive Preferred benefits for DME and covered medical supplies, you must use a Preferred DME or medical supply provider. See Section 5(a) for the benefit levels that apply to DME and medical supplies.

Note: For prescription drugs billed by a skilled nursing facility, nursing home, or extended care facility, we provide benefits as shown on the following pages for drugs obtained from a pharmacy in our network, as long as the pharmacy supplying the prescription drugs to the facility is a network pharmacy.
