2027 Blue Cross and Blue Shield Service Benefit Plan
FEP Blue Standard and FEP Blue Basic
Section 5(f). Prescription Drug Benefits

- **Where you can obtain them.**

Under Standard Option, you may fill prescriptions at a Preferred retail pharmacy, at a Non-preferred retail pharmacy, through our Mail Service Prescription Drug Program, or through the Specialty Drug Pharmacy Program. Under Standard Option, we pay a higher level of benefits when you use a Preferred retail pharmacy, our Mail Service Prescription Drug Program, or the Specialty Drug Pharmacy Program.

Under Basic Option, you must fill prescriptions only at a Preferred retail pharmacy or through the Specialty Drug Pharmacy Program, in order to receive benefits. If Medicare Part B is your primary coverage, you may also fill prescriptions through our Mail Service Prescription Drug Program.

Under Standard Option and Basic Option

Note: Neither the Mail Service Prescription Drug Program nor the Specialty Drug Pharmacy Program will fill your prescription for a drug requiring prior approval until you have obtained prior approval. CVS Caremark, the program administrator, will hold your prescription for you up to 30 days. If prior approval is not obtained within 30 days, your prescription will be unable to be filled and a letter will be mailed to you explaining the prior approval procedures.

Note: Both Preferred and Non-preferred retail pharmacies may offer options for ordering prescription drugs online. Drugs ordered online may be delivered to your home; however, these online orders are not a part of the Mail Service Prescription Drug Program.

Note: Due to manufacturer restrictions, a small number of specialty drugs used to treat rare or uncommon conditions may be available only through a Preferred retail pharmacy.
