2027 Blue Cross and Blue Shield Service Benefit Plan
FEP Blue Standard and FEP Blue Basic

FEHB Facts

- **Minimum value standard**

Our health coverage meets the minimum value standard of 60% established by the ACA. This means that we provide benefits to cover at least 60% of the total allowed costs of essential health benefits. The 60% standard is an actuarial value; your specific out-of-pocket costs are determined as explained in this brochure.

- **Where you can get information about enrolling in the FEHB Program**

See www.opm.gov/healthcare-insurance/healthcare for enrollment information as well as:

- Information on the FEHB Program and plans available to you
- A health plan comparison tool
- A list of agencies that participate in Employee Express
- A link to Employee Express
- Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, give you other plans' brochures and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment
- How you can cover your family members
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire
- What happens when your enrollment ends
- When the next Open Season for enrollment begins

We do not determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office. For information on your premium deductions, you must also contact your employing or retirement office.

Once enrolled in your FEHB Program Plan, you should contact your carrier directly for updates and questions about your benefit coverage.
