- **Finding replacement coverage**

If you would like to purchase health insurance through the ACA's Health Insurance Marketplace, please refer to the next Section of this brochure. We will help you find replacement coverage inside or outside the Marketplace. For assistance, please contact your Local Plan at the phone number appearing on the back of your ID card, or visit www.bcbs.com to access the website of your Local Plan.

Note: We do not determine who is eligible to purchase health benefits coverage inside the ACA's Health Insurance Marketplace. These rules are established by the Federal Government agencies that have responsibility for implementing the ACA and by the Marketplace.
